Program Details

The Bondi Connections – Grassroots Microgrants program is part of the NSW Government’s ongoing support to the Bondi community following the antisemitic terrorist attack at Bondi in December 2025.

The NSW Government recognises the deep and lasting impacts of the Bondi Terror Attack and is committed to a recovery approach that is trauma-informed, culturally sensitive and community-led. It is acknowledged that recovery from terrorism extends beyond physical impacts to include enduring impacts on psychosocial wellbeing, social cohesion and community trust.

Local community organisations, small groups and individuals know their communities best. They are often the ones who can identify and lead activities that bring people together and strengthen connection within the community.

The NSW Premier’s Department will administer the Bondi Connections – Grassroots Microgrants Program.
