Program Details

The Bondi Cohesion Grants Program for the Non-Government Sector is part of the NSW Government's ongoing commitment to support the Bondi community following the antisemitic terrorist attack at Bondi in December 2025.

The NSW Government recognises the deep and lasting impacts of the Bondi Terror Attack and is committed to a recovery approach that is trauma-informed, culturally sensitive and community-led. It is acknowledged that recovery from terrorism extends beyond physical impacts to include enduring impacts on psychosocial wellbeing, social cohesion and community trust.

The Bondi Cohesion Grants Program for the Non-Government Sector will facilitate initiatives that:

- build connections between the Bondi and Eastern suburbs region and other communities across NSW and support enhanced engagement and trust-building between the local Bondi community and key public institutions.

The program will prioritise initiatives that:

- Identify and address the needs of segments of the community who have not yet been able to connect with support
- Incorporate partnership with another organisation or group (or multiple partnerships) into the design of the initiative.

The Premier's Department will administer the Bondi Cohesion Grants Program for the Non-Government Sector in accordance with the NSW Grant Administration Guide. See: https://www.nsw.gov.au/grants-and-funding/grantsadministration-guide.

A grant obtained through this program is a one-off payment with no guarantee of further funding after the completion of the project.
